how to:

1. print out drawing.
2. use transfer pencil to trace drawing and then iron on to fabric.
3. embroider. I use a half strand of floss and the split stitch with backstitch on the tiny details.
4. pull through 3" strand of floss at bear shoes and bunny's neck, tie in a bow and trim ends.
5. cut around outside dashed line. sew right side down to backing fabric leaving a gap for stuffing. turn out and stuff!
