## Elfgear

Is your printout sized correctly?

all seam allowances are 1/4" unless otherwise noted

2in

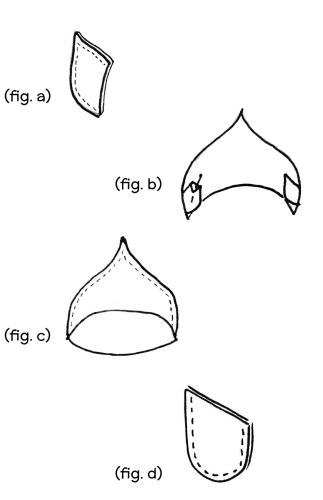

1. Ear. With right sides together, sew two of the Ear (C) pieces together along outer edges. (fig. a) Repeat with other two pieces. Clip tips, turn right side out and stuff lightly.

2. Hat. Pin ears to right side of Hat Front (A). After pinning in place, pin the tips of the ears down over ears so that they will be safely out of the way and not get caught in the seam. (fig. b) Pin the Hat Back (B) to front with right sides together and sew along outer edge. (fig. c) Turn right side out. Sew bell to point.

3. Collar. Sew snap closure onto open ends so collar will fasten around neck.

4. Boots. With right sides together, sew two of the Boot (D) pieces together along outer edges. (fig. d) Repeat with other two pieces. Turn right side out.
